**Subject: End of Life Notification for TracER Compact Laser Systems**

Dear valued customer:

This letter is to inform you that Coherent is initiating the obsolescence process for the **TracER Compact portfolio of laser systems** in response to dwindling market demand for this product.

We are providing this advance notice to allow for appropriate product support planning and the opportunity for final purchases as may be required.

The obsolescence plan will adhere to the following timeline:

- **Sales Obsolescence – July 4, 2020** – Last time buy orders will be accepted through this date.
- **Service Obsolescence – September 30, 2024.**

Full product support for TracER Compact lasers will be available until September 30, 2024. Support includes:

- Depot repairs
- Availability of spare parts listed in the Operators Manual
- Continued availability of P-Plus service contracts

The following products are affected by this notification:

<b>Part Description</b>	<b>Part Number</b>
Tracer Compact System 460nm 2W	1158022
